

Q: WHAT IS THE EXO|E SKIN REVITALIZING COMPLEX?

A: EXO|E Skin Revitalizing Complex uses a biomimetic, plant-powered approach to support healthy-looking skin. It contains naturally derived secretory factors and nutrients that work in harmony with your skin's natural processes to help maintain hydration, balance, and overall radiance. The "E" in EXO|E stands for equilibrium—helping your skin return to a balanced, refreshed state.

Q: WHAT IS SPECIAL ABOUT THE EXO|E SKIN REVITALIZING COMPLEX?

A: This system combines advanced plant-based liposomes, peptides, and anti-stress factors in a clean, water-based formulation. EXO|E is free from harsh chemicals, parabens, and alcohol, and is made in the USA. It's designed to help support visibly smoother, more balanced, and revitalized skin.

Q: WHAT IS THE RECOMMENDED PROTOCOL FOR CONTINUOUS CARE AT HOME?

A: The Daily Serums are designed to complement your in-office EXO|E treatment and support your skin's natural renewal between visits. Consistent use helps maintain healthy-looking, radiant skin over time.

- D|TOX is typically used in the morning to help hydrate and refresh the skin.
- RE|PAIR is used in the evening to help soothe and restore balance overnight.

Q: HOW ARE PRACTITIONERS USING EXO|E SKIN REVITALIZING COMPLEX?

A: Many aesthetic providers use EXO|E alongside treatments such as microneedling, RF, or laser procedures to help enhance comfort and visible results. It can also be used on its own to help promote hydration, smoothness, and a healthy skin glow.

Q: HOW IS EXO|E SKIN REVITALIZING COMPLEX MADE?

A: EXO|E is crafted in a controlled, state-of-the-art environment using proprietary processes that extract and stabilize plant-based liposomes and secretory factors. Each component is carefully selected for its supportive properties, helping the skin feel calm, balanced, and revitalized.

Q: WHY CHOOSE EXO|E SKIN REVITALIZING COMPLEX?

A: Patients choose EXO|E Skin Revitalizing Complex for many reasons:

- Plant-based, biofriendly technology to help hydrate and balance the skin
- Helps support smoother, more radiant-looking skin
- Complements in-office aesthetic treatments
- Formulated and tested by dermatologists
- Clean, chemical-free, and 100% natural
- Paraben- and alcohol-free
- Safe for all skin types
